

MOBILE PHONE REGISTER

The use of mobile phones at our school is prohibited. If for some reason your child needs to have a mobile or smart phone at school, please indicate in the space below the reason or situation in which they might need one.

Mobile phones need to be switched off during school hours and are to be left in student bags or alternatively given to the office for storage and collected at the end of each day. Under no circumstances should students be using their mobile phones to contact family or friends during school hours. All communication must happen through the school office.

If a student has been found to be in breach of the policy, they will have their phone confiscated and the parent or guardian will be notified by a teacher. The phone will then need to be collected from the school office by the parent or guardian as it will not be returned to the student.

As per policy, the school does not accept responsibility for devices including phones brought to school.

Please indicate below by ticking the appropriate box if your child intends to have a mobile phone at school.

- My child will not have a mobile phone to school.
- My child will have a mobile phone at school (reasons outlined below) and understands that it is to be turned off and placed in their school bag or given to the school office for the duration of the school day.
