Transport Arrangements

Due to the combination of parents and carers wanting to watch their child swim and the limited number of students attending the Zone Carnival each year, the cost of hiring a bus has become very expensive. As a result, parents and carers are required to make their own travel arrangements for their child to and from the event.

Team Manager: Mr McPherson

If there are any issues during the carnival please make sure that you let the team manager know so they can approach the appropriate official.

Zone Carnival Help if required

- Every school needs to provide help at the Zone Carnival. The event is too big for one school to provide staff for every role. This means each school is required to fill 1 to 3 roles on the day. We do this by rotating parents / carers / staff through these positions so the workload is spread. A requirement for your child attending this carnival is that you are available to help at some stage throughout the day. If we don't get the volunteers, then the cost will need to be increased to cover this.

Permission & Payment

If your child is able to represent the school at the Zone Swimming Carnival, **please complete the attached permission slip** and return it along with the **\$15 payment** to the **school office** by **Friday, 14th February 2025**.

Any Questions: Please don't hesitate to contact the school on 6662 5599 or send an email to dmcpherson@ccs.nsw.edu.au

Thank you for your support. We look forward to a great day of competition!

Yours sincerely,

D. McPherson
