Exciting Times Ahead!

Did you see the video on Facebook or School Stream with an exciting new announcement coming soon? Our PBIS Team have been hard at work collating everyone's feedback about our school values and our mission statement. We are excited to announce that next Wednesday, the 10th of May, we will be revealing our key values and a new, streamlined vision statement to our students, parents and community! Watch this space! Check out the link to the video below if you haven't seen it yet for a sneak preview!

I also wanted to take this opportunity to let you know about the work that some of our dedicated parents are doing behind the scenes as members of our Parents and Friends Committee. Our P & F is a relatively new group of enthusiastic parents who are always looking for new passionate members and ideas! All are welcome! It's a great space to share ideas about building community, sharing ideas and fundraising for projects. This is not a staff-led activity, but a parent voice forum where you can speak about the things that you want to see from our school and our community.

The P & F is excited to support and organise the Mother's Day Student Gift Exchange and the Mother's Day Afternoon Tea for special women in our student's lives next Friday. The afternoon tea will be held at 2pm on Friday 12th May in A Block. What a wonderful time was had last year and we thank the P & F for being able to provide this great community event again. Some other great ideas are coming soon, and we thank the P & F that they are also hosting a BBQ at our Open Afternoon on the 1st of June, and supporting our School Stall at Beef Week. In the future we are passionate about having a School Fete at some point, and fundraising for some bigger projects!

We are always looking for new members and encourage you to come along and check it out at our next meeting to be held on Wednesday the 31st of May. It's an informal affair where all ideas are welcome. Come and check it out!

Principal

School Cross Country TOMORROW

On Friday 5th May, our school will have its cross-country event for those **turning 8 and upwards in 2022**. Please ensure that students wear their sports uniform to school. Students may bring appropriate sun safe and modest clothes to change into for the actual run (including separate old shoes in a plastic bag as some parts of the course are muddy). When they finish their race, they are expected to change back into their sports uniform including regular school shoes. Family members are invited to come and watch on the day.

Students should bring some money to spend at the canteen during the carnival. However, it is advised that students **bring their own healthy food just in case the canteen doesn't provide the healthy food they need to get them through the day. There will be no lunch orders for students turning 8 and upwards in 2022.**

What to wear: Students are to wear sports uniform to school, and bring spare clothes and spare shoes to run in. The course tends to become very muddy, so appropriate old clothes are recommended. Bring a hat, sunscreen, water bottle and any medication they may require (e.g. Asthma puffer)

If you have any questions please contact the school or send an email to David McPherson (Sports Coordinator) on dmcpherson@ccs.nsw.edu.au
