Why Parents Choose Christian Schools

Value-Added Practices Families Perceive are most Important at a Christian School

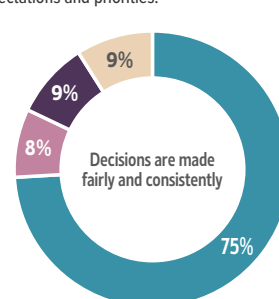

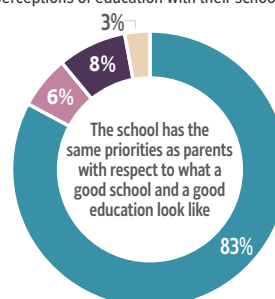

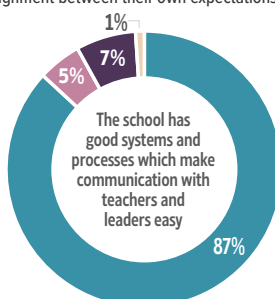

Apart from effective life/vocational preparation, the most important value-added practices that parents consider most important for a Christian school were teaching of traditional Christian values and beliefs, community service and Christian Studies programs in the school.

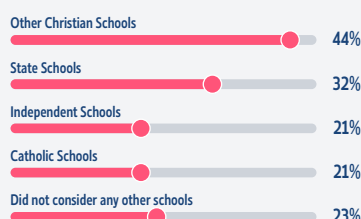

Extremely / very important Somewhat important Not at all / not very important

Parent Satisfaction with Christian School Communities

Parents at Christian schools viewed the community and relational emphasis of Christian schools as an area of strength and valued the strong alignment between their own expectations and perceptions of education with their school's expectations and priorities.

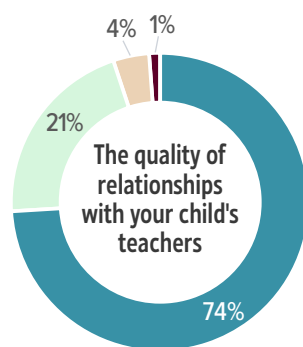

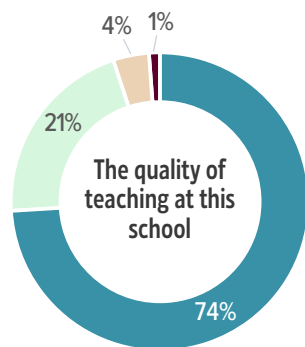

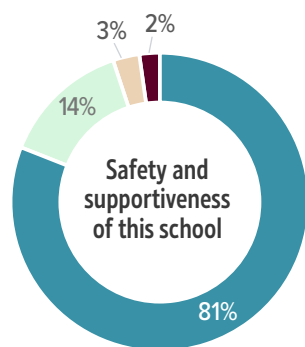

Agree Neither agree nor disagree Disagree Don't know/not sure

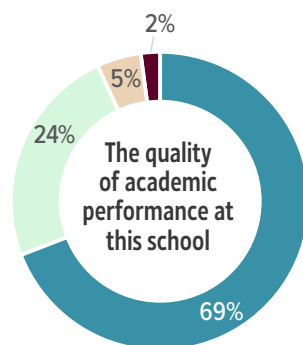

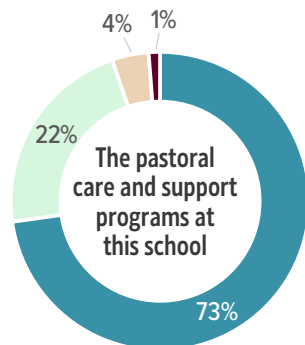

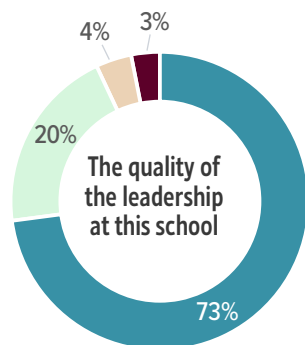

When determining schooling options for their children, 44% of Christian school parents would only consider other Christian schools and over a fifth of all parents (23%) did not consider any other school but the Christian school they enrolled in.

High Parent Satisfaction with the Support and Quality of Relationships at Christian schools

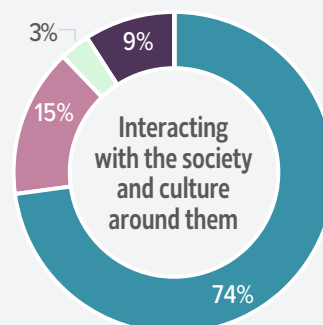

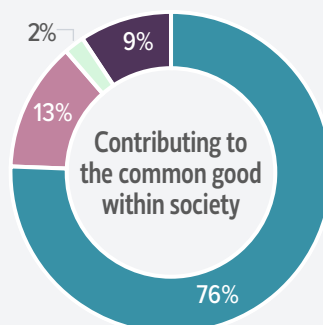

Families are overwhelmingly very satisfied with the 'Safety and supportiveness' of their Christian schools and were very satisfied with the 'quality of teaching' and the 'quality of relationships' between teachers and students in Christian schools.

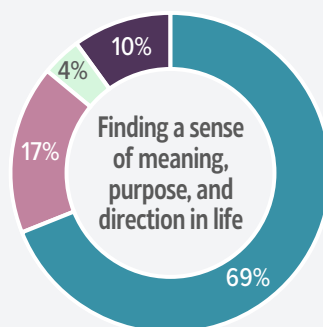

- Extremely / very satisfied
- Somewhat satisfied
- Somewhat dissatisfied
- Extremely / very dissatisfied

Parents Value Holistic Graduate Outcomes

Parents are extremely satisfied with the graduate outcomes and overall performance of Christian schools across the nation. Parents were most satisfied with the manner in which Christian schools contributed to the common good within society and how graduates interacted with the society and culture around them.

- Very good / good
- Moderate
- Very poor / poor
- Don't know / not sure

We chose a Christian school for our children because of the safe and nurturing environment.

The teachers really do care and we could not be happier with the school and the overall quality of education.

Beef Week Cup Results

Congratulations

to our Beef Week Cup Representatives!

On 26th May, we travelled to Colley Park to participate in the Charlie Cox Beef Week Cup with other Primary Schools in the area. All of the CCS students who attended represented our school with Compassion, Integrity, Respect and Responsibility.

The Stage 2 boys soccer team played 4 great games of football on the day with some excellent teamwork, passing, shooting and defending by all players. **We won the grand final 3-1** against the St Mary's Blue team but decided to make it very stressful for Mr Boland on the sidelines.

After a touch first half ended 0-0, St Mary's took the lead 1 nil through a penalty. The CCS boys lifted with 5 minutes to go, strung some excellent passes together from Jack in the backs up to Aidan through to Reece who scored for 1-1. The next play we won the ball in defence. Kaelan passed out to Bentley up the line to Reece who crossed the ball in to win a penalty for us. Jack stepped up and coolly slotted for a 2-1 lead. St Mary were pressing but another big clearance from Jack who played a great ball up to an unmarked Aidan to run half the field and score the winning goal 3-1 with 10 seconds to go.

Congratulations to all players for improving as the day went on and showing great teamwork and sportsmanship.
